

Moran Hires Jessica Sadowsky of Little River to Staff

Washington, D.C. - Congressman Jerry Moran today announced that Jessica Sadowsky of Little River has joined his staff. Sadowsky will serve as a Health Care Legislative Assistant in Moran's Washington, D.C. office.

"I am pleased to have Jessica onboard as the newest member of the team," Moran said. "Jessica has already done much to benefit the health care industry in Hutchinson, and I look forward to her bringing that same level of energy and dedication to this job as she serves the people of the First District."

Sadowsky is a 1995 graduate of Little River High School and graduated with a degree in political science from Fort Hays State University in 1998. While at FHSU, Sadowsky was the student director of the Docking Institute of Public Affairs and worked at the Hays Medical Center. She also served as a senator in Student Senate at FHSU. Currently, Sadowsky is finishing work on her master's degree in health services administration at the University of Kansas.

Prior to joining Moran's office, Sadowsky worked in the field of developmental disabilities as the Director of Group Living at the Training and Evaluation Center of Hutchinson, Inc. and,

before that, in long-term care as Assisted Living Administrator for Alterra Healthcare Corp. in Leawood.

"Congressman Moran has been a leader in rural health care initiatives, and I am excited to work for him and the people of the 'Big First,'" Sadowsky said. "This is an incredible opportunity, and I look forward to working for Kansans to ensure that our state's health care needs are being met."

As a health care legislative assistant, Sadowsky will work on researching and developing health care policy.

Jessica is the daughter of Robert and Sandra Sadowsky of Little River.
